

## Challenge

## Solution

There are just too many people that need help. You need more coaches, ASAP.  
**GOOD NEWS: YOU ARE THAT NEXT COACH. GET YOUR CERTIFICATE!**

Your organization may use internal or external coaches, but there simply aren't enough to go around. It is not a scalable model. The solution is to improve the coaching of those already in positions of authority and influence: YOU!

Octane HighPer Coaching Development workshops are designed to help you become exceptional at helping others be better than they were yesterday. You will exponentially increase your value and the results of those you coach.

It is not enough to train on skills, track activity and ask how things are going. Most people have never been instructed in how to be an exceptional coach. We can help.

Let us teach you the methods used by elite teams around the world and join the hundreds of professionals on three continents who have earned their Octane certificate!
